PRIVACY POLICY

Introduction

Welcome to DigitalScouts project.

DigitalScouts project ("us", "we", or "our") operates **https://digitalscouts.eu/** (hereinafter referred to as **"website"**).

Our Privacy Policy governs your visit to **https://digitalscouts.eu/**, and explains how we collect, safeguard and disclose information that results from your use of our website.

We use your data to provide and improve the website. By using our website, you agree to the collection and use of information in accordance with this policy. Unless otherwise defined in this Privacy Policy, the terms used in this Privacy Policy have the same meanings as in our Terms and Conditions.

Our Terms and Conditions (**"Terms"**) govern all use of our website and together with the Privacy Policy constitutes your agreement with us (**"agreement"**).

Definitions

WEBSITE means the https://digitalscouts.eu/ website operated by DigitalScouts project.

PERSONAL DATA means data about a living individual who can be identified from those data (or from those and other information either in our possession or likely to come into our possession).

USAGE DATA is data collected automatically either generated by the use of website or from website infrastructure itself (for example, the duration of a page visit).

COOKIES are small files stored on your device (computer or mobile device).

DATA CONTROLLER means a natural or legal person who (either alone or jointly or in common with other persons) determines the purposes for which and the manner in which any personal data are, or are to be, processed. For the purpose of this Privacy Policy, we are a Data Controller of your data.

DATA PROCESSORS (OR SERVICE PROVIDERS) means any natural or legal person who processes the data on behalf of the Data Controller. We may use the services of various website Providers in order to process your data more effectively.

DATA SUBJECT is any living individual who is the subject of Personal Data.

THE USER is the individual using our website. The User corresponds to the Data Subject, who is the subject of Personal Data.

Information Collection and Use

We collect several different types of information for various purposes to provide and improve our website to you.

Types of Data Collected

Personal Data

While using our website, we may ask you to provide us with certain personally identifiable information that can be used to contact or identify you (**"Personal Data"**). Personally identifiable information may include, but is not limited to:

0.1. Email address
0.2. Username
0.3. password

Usage Data

We may also collect information that your browser sends whenever you visit our website or when you access website by or through any device (**"Usage Data"**).

This Usage Data may include information such as your computer's Internet Protocol address (e.g. IP address), browser type, browser version, the pages of our website that you visit, the time and date of your visit, the time spent on those pages, unique device identifiers and other diagnostic data.

When you access the website with a device, this Usage Data may include information such as the type of device you use, your device unique ID, the IP address of your device, your device operating system, the type of Internet browser you use, unique device identifiers and other diagnostic data.

Other Data

While using our website, we may also collect other information, in relation to any of the project's outputs.

Use of Data

DigitalScouts project uses the collected data for various purposes:

0.1. to provide and maintain our website;

0.2. to notify you about changes to our website;

0.3. to allow you to participate in interactive features of our website when you choose to do so;

0.4. to provide user support;

0.5. to gather analysis or valuable information so that we can improve our website;

0.6. to monitor the usage of our website;

0.7. to detect, prevent and address technical issues;

0.8. to fulfil any other purpose for which you provide it;

0.9. to carry out our obligations and enforce our rights arising from any contracts entered into between you and us, including for billing and collection;

0.10. in any other way we may describe when you provide the information;

0.11. for any other purpose with your consent.

Retention of Data

We will retain your Personal Data only for as long as is necessary for the purposes set out in this Privacy Policy. We will retain and use your Personal Data to the extent necessary to comply with our legal obligations (for example, if we are required to retain your data to comply with applicable laws), resolve disputes, and enforce our legal agreements and policies.

We will also retain Usage Data for internal analysis purposes. Usage Data is generally retained for a shorter period, except when this data is used to strengthen the security or to improve the functionality of our website, or we are legally obligated to retain this data for longer time periods.

Transfer of Data

Your information, including Personal Data, may be transferred to – and maintained on – computers located outside of your state, province, country or other governmental jurisdiction where the data protection laws may differ from those of your jurisdiction.

If you are located outside Europe and choose to provide information to us, please note that we transfer the data, including Personal Data, to Europe and process it there.

Your consent to this Privacy Policy followed by your submission of such information represents your agreement to that transfer.

DigitalScouts project will take all the steps reasonably necessary to ensure that your data is treated securely and in accordance with this Privacy Policy and no transfer of your Personal Data will take place to an organisation or a country unless there are adequate controls in place including the security of your data and other personal information.

Disclosure of Data

We may disclose personal information that we collect, or you provide:

0.1. **Disclosure for Law Enforcement.**

Under certain circumstances, we may be required to disclose your Personal Data if required to do so by law or in response to valid requests by public authorities.

0.2. **Other cases. We may disclose your information also:**

0.2.1. to fulfil the purpose for which you provide it;

0.2.2. for the purpose of including your company's logo on our website;

0.2.3. for any other purpose disclosed by us when you provide the information;

0.2.4. with your consent in any other cases;

0.2.5. if we believe disclosure is necessary or appropriate to protect the rights, property, or safety of the project, our partners, or others.

Security of Data

The security of your data is important to us but remember that no method of transmission over the Internet or method of electronic storage is 100% secure. While we strive to use commercially acceptable means to protect your Personal Data, we cannot guarantee its absolute security.

Your Data Protection Rights Under General Data Protection Regulation (GDPR)

If you are a resident of the European Union (EU) and European Economic Area (EEA), you have certain data protection rights, covered by GDPR.

We aim to take reasonable steps to allow you to correct, amend, delete, or limit the use of your Personal Data.
